

NEW MEXICO MEN'S WELLNESS
SCHOLARSHIP APPLICATION FORM

Name of Applicant: _____ Applicant's Age: _____

Mailing Address: _____

Phone No. _____ Email Address: _____

Conference for which Scholarship is requested:

Fall: ____ Winter: ____ Spring: ____ Summer: ____ Father/Daughter: ____

Requests made early are more likely to receive a favorable response than requests made late.

Why are you requesting a scholarship?

There is not necessarily enough scholarship money to meet the need. The goal is to give as many men as possible a "taste" of Men's Wellness.

Have you received scholarships from Men's Wellness in the past? Yes _____ No _____

If yes, how long ago was it, did you receive a full or partial scholarship, and if partial, how much?

Because there is always a limited amount of scholarship money, full scholarships are rarely given. *How much do you feel you can contribute to the cost of the conference, including assistance you might get from other people? \$ _____*

Men who receive scholarships to come to the conference will be asked to give service to Men's Wellness in return, for example, showing up to the conference early to help set up the main meeting room or the sweat lodge, or staying late to help clean up. *If you are given a scholarship, will you agree to give service? Yes _____ No _____*

Men receiving scholarship assistance may be asked to write a short note to a designated donor in thanks for providing scholarship money. The "thank you" note, which hopefully would say something about the recipient's experience at the conference, could be posted to the Men's Wellness website instead of being written to a particular donor, or both. The act of writing the note will be voluntary and it can be anonymous - "from a thankful scholarship recipient" - but would give welcome feedback to a donor that his donation to the scholarship fund was "well spent." *If you are given a scholarship, will you agree to write a note to a donor or for posting on the website? Yes _____ No _____*

Please submit forms as instructed in information for the conference you want to attend. Thanks!
